Please help children and young people with cancer

## Here's what you need to know before you tick the Gift Aid box *giftaid it*

When you tick this box and give your name and address, you are telling the Government you want them to give us back the tax on your donation. This means for every £1 you give, we get an extra 25p. You must be paying income or capital gains tax when your sponsorship money is given and the amount of tax you have paid needs to be more than the amount we reclaim. Thanks for reading the legal bits and please, if you can, tick the box!

## About CLIC Sargent

CLIC Sargent is the UK's leading cancer charity for children and young people, and their families. We provide clinical, practical and emotional support to help them cope with cancer and get the most out of life. Currently we can only support two out of three children and young people that need us, but with your help we can reach more.

## How your money helps

Your donation, and the extra 25% we can get from Gift Aid, could help make a real difference to children and young people with cancer, and their families:

**£4** could pay for a storybook that explains childhood cancer in simple language and illustrations that children can relate to, helping them understand what's happening to them.

**£8** could pay for a copy of What now? CLIC Sargent's new booklet to help parents and carers whose child has just been diagnosed with cancer to understand how it may affect them.

**£15** could pay for a copy of CLIC Sargent's DVD to help families where a child or young person has died of cancer to understand and cope with their grief.
